

Parents,

In light of the challenges we face to maintain a secure and safe learning environment for your children and our students we have implemented new, as well as, enforcing old dress code requirements. All students should follow the regular school uniform policy clearly stipulated as navy or khaki pants or shorts (fitted pants or knee length, fitted shorts), Shirts must be polo (collared) and either navy, white, or orange. Other items of concern that are not permitted to be worn within the school grounds are any and all materials that cover the head, including but not solely exclusive too, sweaters and jackets with hoods, hats, skullies, scarves or headbands. Additionally, please remember that offensive slogans or pictures on dress ware, sunglasses, mini-skirts, and sandals are not permitted. Students are to wear their uniform as well as their school ID every day. Prior to retrieving any confiscated belongings the proper identification must be shown. Please help us in maintaining a safe learning environment for all the students who attend Homestead Senior High, where, "It's a Matter of Pride".

Manny Ruiz, Assistant Principal
